## Introduction

The Uganda Open Golf Championship 2023 is going to be held at the Uganda Golf Club this year. It is going to be a three week long golf extravaganza with a Ladies Open, Seniors Open, Amateur Open and Professional Open.

## UGU President's Message

Dear Golfers,

I bring you greetings from my entire Executive Committee that have continued to support the activities of golf governance and administration across the country.

As you are all aware, its about this time of the year that we breathe, talk and think about how things will roll out in the four weeks of the Golfing Festival in Uganda simply known as Uganda Open.

Friends, the golfing fraternity are asking questions like; are you ready for the Open? Have you registered for the Open? What are your chances of finishing in Top 30? Am confident that the range is busy with players rectifying their swings and some even trying out new equipment, and others working hard to cut their handicaps in order to qualify and be able to participate in the Open.

Every year presents a unique experience and this year; The JW Uganda Open Championship proudly sponsored by EABL will be at the iconic Uganda Golf Club to among other things showcase experientials in the golf entertainment right at the heart of our capital - Kampala.

Therefore, ladies and gentlemen don't only prepare your swings for the event but also this year we have lots of fun and planned activities even for those who will not registered for the main events as well as a gallery for future golfers at the Entertainment Village. The Village will be stocked with different varieties of EABL's Johnnie Walker brands at concessional pricing, lots of entertainment and many more exciting stuff throughout the Open.

For those taking part in the competition, the course has been prepared for golfers with the greens planted with Paspalum and the undulating fairways will be waiting for Pars and Birdies, all having been set in time with the oversight supervision and planning of a dedicated and experienced technical committee comprising of Uganda Golf Club, Mancom staff and Uganda Golf Union technical staff who have enabled ideas to come to life and will without a doubt run smoothly during this year's Open.

The Open as usual will provide an opportunity to all categories of golfers i.e Juniors, Ladies, Seniors and Amateurs each showcasing their talent and skills at Championship levels and will colorfully conclude with Professionals from across the world thus speaking to one of the Union's strategic objectives of development.

I would like to give a big thank you to the Uganda Golf Union, Uganda Golf Club, Mancom, golfers, other dedicated sponsors, our partners in the media and service providers. Lastly but not least, I would like to give a hearty thank you to EABL for the continuous support to this great sport of golf.

I believe, the 2023 JW Uganda Open Championship will be one of the best with insurmountable fun and experience for all the different categories. My best wishes to you all and may the best men and women win.

Moses Matsiko

President, Uganda Golf Union

## Tournament Director's Message

Dear Respected Golfers,

I am delighted to welcome you all to the "Uganda Open Golf Championship 2023". We are full of euphoria to welcome you to the Tournament Month at the Uganda Golf Club, an 18-hole course set right in the heart of Kampala City. From the 3<sup>rd</sup> to the 28<sup>th</sup> of October 2023, we will have the opportunity to come together in the ambiance of this World Amateur Golf Ranking Tournament.

The focus of the event is of course on the sport, which is why we are already looking forward to the future games. We would also like to thank our supporters and sponsors, as it is only through their generous commitment that the tournament is made possible. We are very happy about the goodwill and golf enthusiasm shown to us in the course of this. We are also grateful to the numerous media representatives who carry the message of the Uganda Open Golf Championship into the region. Our vision is to offer top-class sport and to ignite golf enthusiasm. We feel very close to all of you and also to the Technical Organising Committee of this event.

Dear Golfers,

A very warm welcome to the much anticipated Uganda Ladies Open 2023.

The greatest asset is YOU. Without your passion for the Uganda Ladies Open and this wonderful game of GOLF, we would not be a thriving association we are today.

This year, the Ladies Open is promising to be bigger and better, with lots of vibe we believe.

With a beautiful well groomed course in the heart of the city, and our ever generous sponsors, let's all prepare to come and swing, make friends, have the much needed exercise, laughter and definitely wins.
